

Mutual Recognition Agreement

This MRA has been signed between Korea Halal as the first party and Instituto Halal as the second party.

For their mutual benefits, the representatives, both of parties have agreed as follows:

1. Establishing collaboration in Halal affairs including standards, inspection, certification, scientific and research exchanges, education and quality system implementation for Halal products and services performed under the responsibilities of each institution.
2. Recognizing each other as the reference institution for Halal inspection benchmark.
3. Collaborating to have common or co-recognized Halal standards or guidelines for mutual benefits of Muslim consumers in both countries.
4. Accepting each other's Halal mark/logo on products certified by both parties for export from/to their countries.
5. Allowing each other to use their names & logos on the marketing and promotional materials and websites as a "strategic partner".
6. Support of this cooperation is sought through established exchange programs, institutional funds and other legal procedures provided for activities of this kind by each institution.

All parties mutually agreed to indemnify and hold each other harmless against any and all claims, costs, and expenses, including legal fees, demand actions, judgments and liabilities of every kind and character whatsoever incurred as a result of negligence of the other.

This mutual recognition agreement (MRA) is subject to the laws of both countries and will be valid for five years, automatically renewable and subject to revision, renewal, or cancellation by mutual consent and becomes effective upon completion of the signatures. Upon revision or renewal of this collaboration, if any of above mentioned organizations dis-continue the collaboration; this MRA will be carried forward with the remaining organizations.

This MRA has been signed in Seoul, South Korea on August 16th, 2016
